

get there, we came home
in a cab brought us
right to Aunt Rachel's
door it is still raining
we expect to start home
in the morning I
want to see all my family
23rd I am now on the

boat on my way
home, the cab came
right to Aunt Rachel's
door and brought us
to the boat, it is a
beautiful morning
Pop says he don't know
when ever he enjoyed
himself so well as he has
at Salem and I have
had a splendid visit
Aunt Rachel says if she
can she wants to come
and see us next summer
Salem is a pretty place
so many flower gardens

but I think Salem Creek
is as crooked a place as I
ever saw. We are now
on the train at Depew
City waiting to start
we have to stop at
Porters and change
cars for Townsend, there
we will take the car for
Sudlersville, I hope Ben
will be there for I want
to get home and see
them all it seems like
I have been away about
two weeks

At night, we arrived home
Safe Leroy had dinner
most ready I found them
all well

24th Lizzie and Beckie
came today and are
going to stay all
night we have done
some talking today
Pop is to start home tomorrow
