

April

23<sup>rd</sup> I wrote yesterday that I went to Chestertown but the Dr did not think I needed any medicine, but I was taken sick in the night had to send Eddie over to see him this morning he got me medicine I have been taking it every hour today I have been real poorly all day but I believe I feel a little better tonight.

24<sup>th</sup> I did not go to church this morning for I was not able, Ben and some of the children went, Clement and Jimmie staid home the cook was home too.

25<sup>th</sup> I am still poorly Lena staid home from school so she could help about the work. This morning it began raining some today, but we pushed

April it rained some again today

26<sup>th</sup> I felt better today Annie staid home and Lena went to school I hope I will soon be able to go to work, I had some oysters for my supper they tasted right good I ate more supper than I have since last week.

27<sup>th</sup> I went to Chestertown today to see the Dr as I had no medicine, he gave me some more, I hope I will soon be well, I feel better tonight I went in to see Leggie a little while she was well had two men whitewashing.

28<sup>th</sup> I went up to see Buckie she is poorly has a sore eye, I had to leave soon for it began raining, I was sorry to leave soon for we did not get done talking.
