

Aug 25th

Pap went home this morning I have been poorly all day was taken sick in the night I didn't like to see him go, Beckie went home this afternoon.

26th I feel better today.

Lezzie and John went over to Chesterton with Eddie tonight.

I know I shall miss her but she thought she ought to be home.

27th I went to Church Hill.

Today the M & E church are having a festival.

There was a good many there. Pen introduced me to an old friend of his Mr Roe, Walter.

Wook Jimmie Lena and Annie Ralph tonight.

Eddie has gone I expect he took some girl.

I received a letter from Mother today telling me that Pap arrived home safe. I also received one from Agness Quigley this time. Last Saturday night I was at Salem New Jersey.

28th Sunday Night -

It has been cool all day, Pen has just made office in the fire place. I went to Church this morning Mr Astors preached a splendid sermon, his text was Gen 22 chapt 7th & 2 verses. I would love to have such faith and I thought as I heard him preach how trifling are our worldly cares compared to eternal life, God grant that I may be faithful and at last dwell with God forever.
