

Aug 22nd Monday

Well I have started out this morning to go around. We went to Lora Ekels first she came with us to Nell McDonalds, she went with us out to the old grave yard that Lew and I used to go and play in. We also went to the house that Aunt Rachel used to live and sat on the old steps that we have sat on and went up and down so many times, we then stopped to see a man that takes pictures and knew me when I was a little girl his name is Simpkins, we also saw his daughter who is 85 years old, and also another man that

Pap used to work with he is 75 his name is Peter Blackwood, We took dinner with George and Nell McDonald they both said they would have liked Pap to have come with me for they liked him they have but one daughter her name is Carry she said she liked things I told ^{her} I would tell her. I am having a nice time we are going to Lew's for tea. At Night we went to Lews, Charlie and Becks Baily and Coleman Colgan were there, Nell and her husband and daughter expected to come after supper but it rained so hard they could not
