

During the evening
of the 24th we have
been out in the Union
Church to our Christmas
entertainment. The
children recited their
pieces once we had a prett
tree. Henry Anderson was
Old Criss, it has been
warmer today, but the
snow is not quite all
gone yet. I feel thankful
to the good Lord that
my cold is much better
and I feel right well to
night, and thankful to
him for keeping all my
family during the pas
sage. I do want
to be here better than
ever.
