I went over to Chester today to take my butter. I did not go to see the Dr. as I have plenty of medicine. I stood with Lizzie until after six o'clock. Bud came home with me. Jim went over with me. May was at Mrs. Anthony's. I saw that left the one hand for supper but Lizzie, I think she has got a lonely time.

30 This has been a cloudy week it has rained every day excepting today and has been very cool it is warmer tonight. I went up to Church Hill this morning to Mrs. Swan's funeral, took dinner with Miss Mollie Huslock, came home and had an early supper and went down to Ralph's. Went to see Mrs. Tumbroger, Mrs. Kieggins and Mrs. Taylor.

Lizzie received a letter from Salem, Cousin John has been dead about three weeks, he died very happy, trusting in his Saviour. He said he was a child of a King and was going where there was no night.
