

Aug 21st Ad Night,

Pap and I went to see an old man by the name of Acton he is 88 years old. Pap worked for him about 30 years ago, he is a Quaker and is living in the same house that he did at that time he remembered Pap and seemed glad to see him, we went from there to Glen.

Colgan's staid a short time and then went to Charlie Bailey's (Sunt Rachel was with us) we staid there for supper. Lew Ekkel came there and we all went to Church, to night he is the same Minister in another Church, he took his text Math 19th / 6 verse he

preached a splendid sermon about us giving up something for Christ. Pap says if he could hear such preaching as that he would not stay away from Church on any Sundays. We met Harry Bailey and his wife today. Beckie B and then Jim in a double house. Harry is the owner it is a very nice house with a pretty flower yard back and front.
