

Annies today sent an  
answer to them and  
a letter to Ben, it is  
just two weeks today  
since I left home. It  
seems worse like a  
month, I expect I will  
go tomorrow but Pap  
thinks I might stay  
another day I guess  
it will not make  
very much difference  
only I want to get  
home. I took pills  
last night - I have had  
a pain in my side  
today I wonder some  
times if I will get well,  
Pammy & Annie have gone  
away. Mother, Pap and  
myself have spent a  
pleasant evening together.  
Pap has just gone to  
bed, we will soon have  
to go
