

Nov 9th

This has been a very busy day but much cooler than it was yesterday we killed hogs today and I am tired, I had Lidia Brown and Walter to help me we got along right well Lidia has just finished skinning the gutfat and goes to bed, she goes right ahead without being told, Elinor has worked seal all today, Walter's Mother was here a while she helped while she staid. I must go to bed so I am off to sleep we killed

10th

This has been a very busy day and we are not done yet, it has rained most all day I am very tired tonight 11th We have got our hog work done finished about night it is cooler than it was yesterday, Jimmie took the women home after supper
