

Jan 1st 1888

Well this is the begin-
ing of another year
and it has been a
sunny day, We all
staid home from
Church as it rained
so fast we thought
no one would be there
it stoped before
night and John
took Lizzie up to
her home, I hope
they will do well
there, and be happy
God grant that we
may all live better
lives this coming
year than we ever
have

Jan 3rd

This has been a nice
day but I have been
sore by all day I
feel better tonight
I had my steady
feeling last night
and sore today

Jan 5th

The Ladies Mite
Society met here last
night, there was 17
members present
\$2.35 collected we
had a right nice time
they never left
untill after twelve
oclock, I went down
to Ralph's Wharf this
afternoon a little while
