Cassie and I went to  
see Mrs Meredith to-  
day she went out  
with me to do some  
shopping. At night  
Will took me to see  
Uncle Hugh Deigley  
19<sup>th</sup> I had one of  
my poorly spells  
early this morning  
but one during the  
day I feel a little better  
tonight.

20<sup>th</sup> I went out and bought  
my barrow today and  
am now on the boat  
on my way home  
has and a friend of his  
are with me.

at night  
I am home; Edith was  
very much surprised  
to see Cassie and  
Frank. They all  
seemed to get along  
very well while I was  
away.

21<sup>st</sup> Mary and Mary  
Wolcott came home  
with us from Church,  
our extra meeting began  
tonight. They all  
well, I was not very  
well and did not go  
in and the Register  
brought Miss Hollic  
home, they had two  
little children with  
them. I hope I will  
feel better tomorrow.
