

is plenty of snow yet
and mud too, it
has rained since
supper, it has been
warmer to day than
it was yesterday
17th Well we are still
snowed in, but
to look out on the
fields it looks as
though the snow
was about gone
but not so on some
of the roads. Perry went
out to try and break
the road out as far
as the Church goes
we could go to town
but he could not do
it, he had to ungar-

the mules the snow
was so deep. Eddie
came home tonight, Jimmie
and Walter went over
to town on horse back
after him, then they
tried to go across
the field, Eddie has
come home to stay
by like the paper
mill but it is time
to begin to work on
the farm I got
a letter from Mother
to day

18th This has been a
beautiful day but
we could not go to
church I will be glad
when that road gets
clear, I went over to
Mrs. Patten to day
